

Thermal articles are very popular. They offer the convenience of not having to drink your coffee or tea at home, but taking your drink with you on the road! Have the Cyclone 450 ml insulated tumbler with straw printed or engraved with your company name and logo. The advantage is that your logo is seen everywhere and by many people when the thermos product is used. As the name suggests, this insulated mug features a straw. With a weight of 250 grams, you have a solid product in your hands. It is important to note that the thermos are not dishwasher safe due to their insulation and construction. You should therefore wash them by hand. The instructions will indicate if the lid is dishwasher safe. Thanks to this thermos, your logo and message will remain visible to the recipients for a long time.
