Make a good impression by printing shopping bags with your logo. At IGO we have wide range of shopping bags you can have printed with your logo. And the Harry coloured edge jute tote bag is ideal for your last-minute errands. The bag has an open main compartment without a closure and 17cm long handles. Colored edges ensure an elegant look. Because this bag is made of jute, you are assured of a quality product. Moreover, the jute material of this bag makes it a very sustainable choice. That's something we all care about! Whether you give them away to your customers or employees, you'll always make a good impression with a personalized shopping bag. Woven jute often has a very distinctive smell, which is caused by adding vegetable oil (spinning oil) to the fibers to improve their stiffness for processing.
