Power banks are an ideal gift to give away. Everyone has at least one phone that needs to be charged frequently. When you have the Bask 4000 mAh solar power bank printed with your logo, it gives your brand extra promotion. Power banks are taken everywhere, giving your company added visibility. The most important thing about power banks is the strength of the battery. This one has 4000 mAh. The power bank's output is 5 V/1 A. It is charged by the solar cell module via the sun or the included USB-micro USB connection cable. The material used, ABS plastic, makes the power bank particularly robust. Because it weighs just 136 grams, you can easily take it anywhere. The biggest advantage of laser engraving is the high-quality print, it won't fade quickly due to its high wear-resistance.
