It's always convenient to have a power bank ready in this digital age. You never know when you might need to recharge your mobile phone. By printing the Pep 4000 mAh power bank with your logo and message, you're sure to generate extra publicity for your company! This power bank has a capacity of 4000 mAh. This means that a device with a battery of this size can be fully charged once. This powerbank has LED indicators that light up during charging and show the remaining battery capacity. It has a 5V/1A input and a 5V/1A output and is packaged in a white gift box. The material used, aluminium, makes the power bank particularly robust. Because it weighs just 122 grams, you can easily take it anywhere. The biggest advantage of laser engraving is the high-quality print, it won't fade quickly due to its high wear-resistance.
