

Thermal articles are very popular. They offer the convenience of not having to drink your coffee or tea at home, but taking your drink with you on the road! The Pika 330 ml vacuum insulated tumbler and insulator is ideal for printing your message or logo. Thanks to the many possibilities to print on the thermos article, you can give your brand the publicity boost it needs. This insulating mug has a transparent snap-on lid and a sliding closure. This product is made of stainless steel, so you don't have to worry about the strength of the product. It won't break easily. With a weight of 235 grams, you have a solid product in your hands. Please note that some thermos flasks and mugs are not dishwasher safe due to their construction. The instructions for use will indicate whether the lid is dishwasher safe. Good to know, so you can use these for a long time. Nowadays, we are increasingly aware of the environment. A thermos contributes to a sustainable world by reducing the production of disposable plastic.
