

Whether you're on your way to work or on a day trip, a mug or bottle is always useful. An excellent time to reinforce your brand exposure with a printed thermal article. Have the Kambukka® Etna 300 ml thermo cup printed or engraved with your company name and logo. The advantage is that your logo is seen everywhere and by many people when the thermos product is used. This thermal mug has a 3-in-1 lid with 2 drinking positions with a Snapclean® universal lid and a non-slip base. The lid is heat-resistant and dishwasher-safe. This thermal article is from the high quality and popular brand Kambukka. All Kambukka products are designed and tested in Belgium. The brand uses patented drinking systems and gives great importance to the practical use of all items. This product is made of stainless steel, so you don't have to worry about the strength of the product. It won't break easily. On top of that, the product has a weight of 249 grams. So you know you have a quality article in your hands with good insulation properties. With a content of 300 ml you can keep going without getting thirsty. Do you want to be sure your mug or flask doesn't leak into your car or bag? Then we have the solution because this one is 100% leakproof! Still not convinced? Order a free sample on our website before placing your order. That way you know exactly where you stand.
