A printed thermos article that keeps your drink warm for hours and hours isn't just for on the road. You can use it at home, at the office or while exercising. The Kambukka® Etna Grip 500 ml thermo cup is ideal for printing your message or logo. Thanks to the many possibilities to print on the thermos article, you can give your brand the publicity boost it needs. This thermal mug has a 3-in-1 lid with 2 drinking positions with Snapclean® universal lid, a rubberized handle and a non-slip base. The lid is heat and dishwasher safe. The black thermo mug in this series cannot be laser engraved. This thermal article is from the high quality and popular brand Kambukka. All Kambukka products are designed and tested in Belgium. The brand uses patented drinking systems and gives great importance to the practical use of all items. This product is made of stainless steel, so you don't have to worry about the strength of the product. It won't break easily. On top of that, the product has a weight of 344 grams. So you know you have a quality article in your hands with good insulation properties. Thanks to its 500 ml capacity, you're sure to enjoy a hot or cold beverage even hours later. And the advantage is; this thermos cup is leakproof! So you can take your coffee-to-go wherever you go. Thanks to this thermos , your logo and message will remain visible to the recipients for a long time.
