Power banks are an ideal gift to give away. Everyone has at least one phone that needs to be charged frequently. When you have the LogoBoost 4000 Powerbank light up power charger printed with your logo, it gives your brand extra promotion. Power banks are taken everywhere, giving your company added visibility. This powerbank has a capacity of 4000 mAh. This powerbank has an illuminated battery indicator. The input and output have 5V/1A. The delivery includes a micro USB charging cable. If you choose laser engraving, your logo will light up as soon as the powerbank is used. Because this power bank is made of synthetic material it is hardly susceptible to impacts and can be carried in any pocket. Moreover, it has a weight of only 126 grams! So it is easy to take with you! The biggest advantage of laser engraving is the high-quality print, it won't fade quickly due to its high wear-resistance. From budget power banks to premium models in different shapes and sizes: we have it all! Need help making your choice? Then get in touch with us!
