When you're on the road, it's good to know that your phone is always sufficiently charged. That's where a printed power bank comes in handy! When you have the Octopus Wireless Powerbank 4000 external charger printed with your logo, it gives your brand extra promotion. Power banks are taken everywhere, giving your company added visibility. This power bank has a capacity of 4000 mAh. This means that a device with a battery of this size can be fully charged once. This powerbank is a real all-rounder with useful suction cups, on/off button and indicator lights. It charges smartphones quickly with a cable and has an integrated 5W charging function for wireless charging of mobile devices that support Qi wireless technology - with 5V/0.8A. It has an input of 5V/1.5A and a USB output of 5V/2.1A. It comes with a micro-USB cable and instructions and is packaged individually. Because this power bank is made of synthetic material it is hardly susceptible to impacts and can be carried in any pocket. Because it weighs just 138 grams, you can easily take it anywhere.
