

Whether you're on your way to work or on a day trip, a mug or bottle is always useful. An excellent time to reinforce your brand exposure with a printed thermal article. Have the BottleBeatz stainless steel 2-in-1 thermosflask speaker printed or engraved with your company name and logo. The advantage is that your logo is seen everywhere and by many people when the thermos product is used. This thermal bottle features a detachable speaker. The Bluetooth speaker (version 4.02) is compatible with most common smartphones and tablets and has a range of up to 10 m with 3W and a frequency of 20HZ-20KHz. The built-in Li-ion battery is 600mAh. The delivery includes a micro USB charging cable. Looking for a sturdy thermos mug or flask with an exclusive look and feel? products as the BottleBeatz stainless steel 2-in-1 thermosflask speaker made of stainless steel are the perfect choice. With a weight of 369 grams, you have a solid product in your hands. Thanks to its 350 ml capacity, you're sure to enjoy a hot or cold beverage even hours later. Once you have experienced how easy a thermos is, you'll never want anything else. Your customers will experience the same with a printed thermos.
