Features

Thermal articles are very popular. They offer the convenience of not having to drink your coffee or tea at home, but taking your drink with you on the road! Have the Mojave 300 ml insulated tumbler printed or engraved with your company name and logo. The advantage is that your logo is seen everywhere and by many people when the thermos product is used. This insulating mug has a screw cap. This product is made of stainless steel, PP plastic, so you don't have to worry about the strength of the product. It won't break easily. With a weight of 150 grams, you have a solid product in your hands. Please note that some thermos flasks and mugs are not dishwasher safe due to their construction. The instructions for use will indicate whether the lid is dishwasher safe. Good to know, so you can use these for a long time. Thanks to this thermos, your logo and message will remain visible to the recipients for a long time.
