Whether you're on your way to work or on a day trip, a mug or bottle is always useful. An excellent time to reinforce your brand exposure with a printed thermal article. The Corzo 350 ml copper vacuum insulated cup is ideal for printing your message or logo. Thanks to the many possibilities to print on the thermos article, you can give your brand the publicity boost it needs. This thermal mug has a lid that you press on. It features a spray powder coated exterior. A special construction prevents the formation of condensation on the outside. The delivery takes place in a gift box. This product is made of stainless steel, so you don't have to worry about the strength of the product. It won't break easily. In addition, the product weighs 184 grams. Perfect for a good grip. Most thermos flasks and mugs aren't dishwasher safe. This is due to their construction and insulation. But the lid can often go in the dishwasher. You can check this in the instructions. Once you have experienced how easy a thermos is, you'll never want anything else. Your customers will experience the same with a printed thermos.
