

A printed thermos article that keeps your drink warm for hours and hours isn't just for on the road. You can use it at home, at the office or while exercising. The Vasa 500 ml speckled copper vacuum insulated bottle is ideal for printing your message or logo. Thanks to the many possibilities to print on the thermos article, you can give your brand the publicity boost it needs. The delivery takes place in a gift box. Because this thermos product is made of stainless steel, you don't have to worry about it breaking. And being so solid, it won't leak easily! With a weight of 296 grams, you have a solid product in your hands. Most thermos flasks and mugs aren't dishwasher safe. This is due to their construction and insulation. But the lid can often go in the dishwasher. You can check this in the instructions. A thermos is just the thing for when you're on the go! The stylish look makes it a functional, beautiful product to give away.
