You're on the road a lot, travelling from appointment to appointment. A perfect time to take your coffee to go in a printed thermos mug or bottle. The Copa 350 ml mini copper vacuum insulated bottle is ideal for printing your message or logo. Thanks to the many possibilities to print on the thermos article, you can give your brand the publicity boost it needs. This thermal bottle features a screw cap with a silicone strap. The delivery takes place in a gift box. This product is made of stainless steel, so you don't have to worry about the strength of the product. It won't break easily. With a weight of 252 grams, you have a solid product in your hands. Most thermos flasks and mugs aren't dishwasher safe. This is due to their construction and insulation. But the lid can often go in the dishwasher. You can check this in the instructions. Once you have experienced how easy a thermos is, you'll never want anything else. Your customers will experience the same with a printed thermos.
