Dishwasher proof No

A printed thermos article that keeps your drink warm for hours and hours isn't just for on the road. You can use it at home, at the office or while exercising. The Norse 590 ml copper vacuum insulated bottle is perfect for printing your logo and message. It promotes your brand inside and outside the home. Take advantage of the printing possibilities to increase your brand awareness. A special construction prevents the formation of condensation on the outside of this thermal bottle. The delivery takes place in a gift box. This product is made of stainless steel, so you don't have to worry about the strength of the product. It won't break easily. In addition, the product weighs 284 grams. Perfect for a good grip. It is important to note that the thermos are not dishwasher safe due to their insulation and construction. You should therefore wash them by hand. The instructions will indicate if the lid is dishwasher safe. Thanks to this thermos, your logo and message will remain visible to the recipients for a long time.
