Cups are particularly good for on the go. Whether it's a to-go cup, a shaker for fitness enthusiasts or a water cup to fill up at a water dispenser. The printed Alps 200 ml insulated mug with carabiner will ensure your business gets the attention it deserves every day. Whether while camping, glamping or on a trekking trip, the Alps mug is a great companion during any outdoor activity. The ear handle of the cup is a carabiner and thus easy to attach to almost any backpack. Thanks to the double-walled design, hot drinks stay hot a little longer than they would in a regular mug. This cup is made of Stainless Steel. With your logo or other imprint, you make the right impression with cups! An engraving makes this cup particularly classy. Printed cups ensure your logo or other imprint of your company is always seen.
