You're on the road a lot, travelling from appointment to appointment. A perfect time to take your coffee to go in a printed thermos mug or bottle. The Colton 600 ml copper vacuum insulated sport bottle is ideal for printing your message or logo. Thanks to the many possibilities to print on the thermos article, you can give your brand the publicity boost it needs. This thermal bottle has a screw cap and a durable powder coating. A special construction prevents the formation of condensation on the outside. The delivery takes place in a gift box. Looking for a sturdy thermos mug or flask with an exclusive look and feel? products as the Colton 600 ml copper vacuum insulated sport bottle made of stainless steel are the perfect choice. In addition, the product weighs 358 grams. Perfect for a good grip. Most thermos flasks and mugs aren't dishwasher safe. This is due to their construction and insulation. But the lid can often go in the dishwasher. You can check this in the instructions. Once you have experienced how easy a thermos is, you'll never want anything else. Your customers will experience the same with a printed thermos.
