You're on the road a lot, travelling from appointment to appointment. A perfect time to take your coffee to go in a printed thermos mug or bottle. Thermos flasks and mugs are products that last a long time. Recipients take them with them to work, in the car or even on holidays. Take full advantage by printing your logo and company name on the Thor 480 ml copper vacuum insulated sport bottle. This thermal bottle features a screw cap with wood detail and a durable powder coating finish. A special construction prevents the formation of condensation on the outside. The delivery takes place in a gift box. Because this thermos product is made of stainless steel, you don't have to worry about it breaking. And being so solid, it won't leak easily! On top of that, the product has a weight of 280 grams. So you know you have a quality article in your hands with good insulation properties. It is important to note that the thermos are not dishwasher safe due to their insulation and construction. You should therefore wash them by hand. The instructions will indicate if the lid is dishwasher safe. Thanks to this thermos, your logo and message will remain visible to the recipients for a long time.
