There are various materials and sizes of thermos flasks and mugs. IGO Promo has it all and ensures a print that lasts. Thermos flasks and mugs are products that last a long time. Recipients take them with them to work, in the car or even on holidays. Take full advantage by printing your logo and company name on the Pinto and Corzo copper vacuum insulated gift set. This gift set consists of a thermal bottle (750 ml) and two thermal mugs (350 ml). It is delivered in a black gift box with gold-colored details. Looking for a sturdy thermos mug or flask with an exclusive look and feel? products as the Pinto and Corzo copper vacuum insulated gift set made of stainless steel are the perfect choice. On top of that, the product has a weight of 863 grams. So you know you have a quality article in your hands with good insulation properties. It is important to note that the thermos are not dishwasher safe due to their insulation and construction. You should therefore wash them by hand. The instructions will indicate if the lid is dishwasher safe. Once you have experienced how easy a thermos is, you'll never want anything else. Your customers will experience the same with a printed thermos.
