Whether you're on your way to work or on a day trip, a mug or bottle is always useful. An excellent time to reinforce your brand exposure with a printed thermal article. Have the Valhalla tumbler copper vacuum insulated gift set printed or engraved with your company name and logo. The advantage is that your logo is seen everywhere and by many people when the thermos product is used. This gift set consists of two thermal mugs. It is delivered in a black gift box with gold-colored details. Looking for a sturdy thermos mug or flask with an exclusive look and feel? products as the Valhalla tumbler copper vacuum insulated gift set made of stainless steel are the perfect choice. With a weight of 941 grams, you have a solid product in your hands. Most thermos flasks and mugs aren't dishwasher safe. This is due to their construction and insulation. But the lid can often go in the dishwasher. You can check this in the instructions. Still not convinced? Order a free sample on our website before placing your order. That way you know exactly where you stand.
