A torch is an important item. Everyone should have a torch in the car, and those who walk or cycle a lot should carry one with them anyway. The Blinki reflector LED light is a real eye-catcher. This flashlight draws its power from Button cell batteries included and inserted. The required number of batteries are included. Have you found the perfect torch for your desires? Then we look forward to your order, but remember: the more you order, the lower the price. Would you like to try the torches for yourself before ordering? Simply order an unprinted sample and see the quality for yourself.
