

Torches are popular promotional gifts and are versatile in their uses and the functions they offer. The Vela 6-LED torch with glow strap is a real eye-catcher. This torch consists of light-emitting diodes, commonly called simply LEDs, which have a high level of brightness. This lamp has exactly 6 built-in light emitting diodes. A torch with matching colour glow-in-the-dark silicone strap and power button on the back. This flashlight draws its power from Button cell batteries included and inserted. The required number of batteries are included. Laser engraving is the technique we recommend, especially for flashlights and other tools. This is abrasion-resistant and almost indestructible. Regardless of your budget, you are sure to find the right torches with us. Always make a good impression with your imprint on torches.
