

Flashlights with a logo are very popular as promotional gifts and are often used. The Pull light-up logo keylight is a real eye-catcher. The torch includes LED lights. These LEDs are very bright. This lamp has exactly 1 built-in light emitting diodes. A large logo decoration area together with laser engraving will light-up your logo for immediate effect. The flashlight requires Button cell batteries included and inserted. Of which she uses exactly 3. The required number of batteries are included. A logo can be heavily used on items such as flashlights that tend to end up in handbags, jacket pockets or trouser pockets. Therefore, we recommend an indestructible laser engraving. Have you found the perfect torch for your desires? Then we look forward to your order, but remember: the more you order, the lower the price. Would you like to try the torches for yourself before ordering? Simply order an unprinted sample and see the quality for yourself.
