Whether equipped with or without a logo, protecting beautiful clothes while cooking is easy with the Viera apron. The apron consists of 240 g/m² twill (65% polyester and 35% cotton), which makes the apron thick and sturdy, while still soft and comfortable to wear. The two front pockets offer a quick way to store kitchen essentials, and the 1-metre-long bow tie makes this apron a one-size-fits-all. Besides this, the Viera apron offers multiple options for adding any logo. In case of digital transfer it is not possible to choose white as a single logo colour on a coloured variant. Please choose transfer in this case.
