Give card holders with your logo to make a lasting impression! The article Odyssey RFID secure passport cover is the right one for your advertising message and/or your logo! This is how you create extra attention for your company. This credit card holder is made of Tarpaulin, 600D of Polyester. Most cards have so-called RFID technology, in which a chip can transmit data "contactless", as is used in many places for payment. This card case protects against unauthorized access to the card by third parties. Up to 6 cards fit in the holder. We have many different credit card cases that can be printed with your logo at reasonable prices.
