Power banks are an ideal gift to give away. Everyone has at least one phone that needs to be charged frequently. By printing the Spare 10.000 mAh power bank with your logo and message, you're sure to generate extra publicity for your company! This power bank has a capacity of 10000 mAh. This means that a device with a battery of this size can be fully charged once. The powerbank has a flashlight that can be used in dark places or at night. With the powerbank, up to three devices can be charged simultaneously with a maximum output power of 5 V/2.1 A (output 1: 5 V/1 A, output 2: 5 V/1 A and output 3: 5 V/2 1 A). The 4 blue LED displays show the remaining battery capacity. The delivery includes a micro-USB charging cable and a gift box. This power bank is made of ABS plastic. With a weight of 290 grams, you have a solid product in your hands. From budget power banks to premium models in different shapes and sizes: we have it all! Need help making your choice? Then get in touch with us!
