It's always convenient to have a power bank ready in this digital age. You never know when you might need to recharge your mobile phone. IGO Promo can print the Stellar 8000 mAh solar power bank with your logo or other imprint. The moment you give it away, it immediately generates extra publicity for your company! One thing is certain, the recipient will be very happy. This power bank has a capacity of 8000 mAh. This means that a device with a battery of this size can be fully charged once. Powerbanks with such a large charging capacity manage to fully charge many mobile phones more than once and we get into charging areas where some notebooks are also supplied with a good amount of power. This powerbank has a single 1.5W Crystal solar panel. It also includes an LED flashlight that can be turned on/off by double-pressing the power button. The powerbank allows you to charge two devices simultaneously with an input of 5V/1.5A and a maximum output of 5V/2.1A (output 1: 5V/2.1A and output 2: 5V/1A). The 4 LED displays show the remaining battery capacity of the powerbank. The powerbank can be charged by the sun or via the included USB to micro-USB charging cable. It comes in a white Avenue gift box. Because this power bank is made of Aluminium it is hardly susceptible to impacts and can be carried in any pocket. With a weight of 210 grams, you have a solid product in your hands. Furthermore, you can choose to have your logo printed on the power bank by laser engraving, it is high quality and is long-lasting. From budget power banks to premium models in different shapes and sizes: we have it all! Need help making your choice? Then get in touch with us!
