Power banks are extremely popular these days. They are perfect for when you are travelling and your phone suddenly runs out of power. You use the Constant 10.000 mAh wireless power bank with LED more often than you might think, for instance during holidays, while on the road or when spending a day at the beach. This powerbank has a capacity of 10000 mAh. This powerbank has an LED display and enables wireless charging with suitable mobile devices. In addition, up to two smartphones can be charged via the built-in USB ports. It is packaged in a white gift box. This power bank is made of ABS plastic. With a weight of 240 grams, you have a solid product in your hands. The biggest advantage of laser engraving is the high-quality print, it won't fade quickly due to its high wear-resistance. And if you think that printing a power bank is expensive, IGO Promo proves otherwise. We can print power banks cheaply and with outstanding quality.
