Even if a mouse runs across the table without a mouse pad, a mouse pad makes the movement more consistent and can make the mouse run smoother. If you have the Brite-Mat® lightweight mouse mat branded with your logo, your company will have optimal attention every day. The material used for this product is Laminated paper. Features 100% tracking for optical and standard balled mice. With only 350 micron thickness it's one of the lightest and thinnest mouse mats available. No matter what budget you are planning with, you are sure to find the right mouse pad with logo from us. These mouse pads are ideal to put your logo, contact details or slogan on them. This is how your company is seen every day - and not just by the user.
