Even if a mouse runs across the table without a mouse pad, a mouse pad makes the movement more consistent and can make the mouse run smoother. If you have the Q-Mat® A2 sized counter mat branded with your logo, your company will have optimal attention every day. The size of the mouse pad is A2. The material used for this product is EVA Foam, Laminated paper. As you can see, there are many different mouse pads to suit all needs and budgets. These mouse pads are ideal to put your logo, contact details or slogan on them. This is how your company is seen every day - and not just by the user.
