Everyone knows them: printed T-shirts. You see them at festivals, bachelor parties, company outings, promotional events, at clubs, gyms and so on. With the Elbert short sleeve women's pique t-shirt, you're choosing an excellent shirt to print. This shirt has short sleeves. When it comes to clothing, the material is crucial. This t-shirt is made of piqué knit of 100% cotton, 180 g/m2. Thanks to the use of cotton, the shirt is strong, cool in summer and feels wonderfully soft to wear. This t-shirt has a ribbed collar and waistband, as well as stylish stripes on the collar and sleeves. It also has a V-neckline. It's good to know that this is a women's shirt. There are generally also men's shirts available in the same style. T-shirts usually have large and different print areas, so that your logo gets the greatest possible attention here. In case of digital transfer it is not possible to choose white as a single logo colour on a coloured variant. Please choose transfer in this case.
