Features

Are you aiming for maximum visibility at a competitive price? Then printed T-shirts are always an excellent choice. The Quebec short sleeve women's cool fit t-shirt is therefore an excellent choice. This shirt has short sleeves. The t-shirt is made of mesh with cool fit finish of 100% polyester, 145 g/m2. The polyester used makes the shirt particularly light and comfortable. This t-shirt features a crew neck, mesh side panels and reflective details. Important to know; this is a ladies shirt. T-shirts usually have large and different print areas, so that your logo gets the greatest possible attention here. In case of digital transfer it is not possible to choose white as a single logo colour on a coloured variant. Please choose transfer in this case.
