Whether you're on your way to work or on a day trip, a mug or bottle is always useful. An excellent time to reinforce your brand exposure with a printed thermal article. The Kambukka® Olympus 500 ml thermo cup is perfect for printing your logo and message. It promotes your brand inside and outside the home. Take advantage of the printing possibilities to increase your brand awareness. This travel mug features a 2-position switch lid with Snapclean® and a universal lid. The lid is heat and dishwasher safe and 100% leakproof. This thermal article is from the high quality and popular brand Kambukka. All Kambukka products are designed and tested in Belgium. The brand uses patented drinking systems and gives great importance to the practical use of all items. This product is made of stainless steel, so you don't have to worry about the strength of the product. It won't break easily. On top of that, the product has a weight of 289 grams. So you know you have a quality article in your hands with good insulation properties. With a content of 500 ml you can keep going without getting thirsty. And the advantage is; this thermos cup is leakproof! So you can take your coffee-to-go wherever you go. Nowadays, we are increasingly aware of the environment. A thermos contributes to a sustainable world by reducing the production of disposable plastic.
