A good workout, staying in shape and breaking away from the daily grind. These are excellent opportunities to draw attention to your brand with a printed drinking bottle. A Contigo® Autoseal Chill 720 ml drinking bottle is ideally suited for printing with a logo or message. And thanks to the many uses of a drinking bottle, each print will give you extra visibility. This bottle has AUTOSEAL® technology and is therefore 100% leakproof. Need a non-spill bottle? Then this is exactly the right one. This water bottle is from Contigo®, the specialists in drinking vessel quality, design and technology. The innovative Contigo water bottles are BPA-free. This bottle is made of stainless steel. Because this drinking bottle is made of very strong stainless steel, it can take a battering and you won't have to worry about it leaking or cracking. Laser engraving is possible with this water bottle. This not only shows your logo precisely, but is also scratch-resistant. Thanks to the 720 ml capacity, you can also be sure that a full bottle will last a long time. Would you like to receive a sample of the bottle before placing your order? Simply request a sample to be sure that the bottle meets your expectations.
