Drinking bottles come in all shapes and sizes. At IGO Promo you'll always find what you're looking for thanks for our huge selection of quality drinking bottles. For example, choose the Senga Steel 530 ml drinking bottle to shine light on your customers or employees. Drinking bottles are ideal for frequent use. This bottle is rustproof and has a leak-proof screw cap. It is suitable for keeping cold or warm. Everyone who receives this bottle will be very happy that it is leakproof. The material of this bottle is stainless steel;synthetic material. The extremely solid construction of stainless steel;synthetic material ensures that this bottle doesn't leak or crack easily if it's dropped. And just as important, your logo stays visible for years to come. Laser engraving is possible with this water bottle. This not only shows your logo precisely, but is also scratch-resistant. Don't fancy getting up all the time to refill your bottle? Then opt for the larger 530 ml capacity that this bottle offers. And in case you still have doubts, you can always request a sample model so you know exactly what you can expect from this bottle.
