Whether you're on your way to work or on a day trip, a mug or bottle is always useful. An excellent time to reinforce your brand exposure with a printed thermal article. Have the Kambukka® Reno Insulated 500 ml thermo cup printed or engraved with your company name and logo. The advantage is that your logo is seen everywhere and by many people when the thermos product is used. This thermal mug has a universal lid. The closure is heat resistant and dishwasher safe. The vacuum mug also has a non-slip bottom. The lower part of the lid can be removed for cleaning or to add mint leaves or ice cubes. This thermal article is from the high quality and popular brand Kambukka. All Kambukka products are designed and tested in Belgium. The brand uses patented drinking systems and gives great importance to the practical use of all items. Looking for a sturdy thermos mug or flask with an exclusive look and feel? products as the Kambukka® Reno Insulated 500 ml thermo cup made of stainless steel are the perfect choice. On top of that, the product has a weight of 270 grams. So you know you have a quality article in your hands with good insulation properties. With a content of 500 ml you can keep going without getting thirsty. Are you looking for a thermos flask or mug that is leakproof? With the Kambukka® Reno Insulated 500 ml thermo cup you don't need to worry about spilling drinks in your car or your bag, or over the paperwork on your desk. Nowadays, we are increasingly aware of the environment. A thermos contributes to a sustainable world by reducing the production of disposable plastic.
