Does your brand stand for enjoying life, staying active and working on your health? Then a printed drinking bottle is a perfect match to get your brand or message out. A Ara 640 ml tritan™ sport bottle with charging cable is ideally suited for printing with a logo or message. And thanks to the many uses of a drinking bottle, each print will give you extra visibility. This bottle is break, stain and odor resistant. With screw cap and detachable 3-in-1 charging cable. The charging cable has a 2-in-1 integrated USB plug - this can be used on both sides for iPhone or Android - and a type C adapter. This bottle is made of eastman tritan™. Don't fancy getting up all the time to refill your bottle? Then opt for the larger 640 ml capacity that this bottle offers. Aren't sure about one or more bottles and would you like to see them in real life before placing your order? Then order a sample for that extra bit of certainty.
