Dishwasher proof No

You're on the road a lot, travelling from appointment to appointment. A perfect time to take your coffee to go in a printed thermos mug or bottle. The Arca 200 ml leak-proof copper vacuum insulated bamboo tumbler is ideal for printing your message or logo. Thanks to the many possibilities to print on the thermos article, you can give your brand the publicity boost it needs. A special construction prevents the formation of condensation on the outside of this mug. Because this thermos product is made of stainless steel, bamboo wood, you don't have to worry about it breaking. And being so solid, it won't leak easily! On top of that, the product has a weight of 210 grams. So you know you have a quality article in your hands with good insulation properties. Most thermos flasks and mugs aren't dishwasher safe. This is due to their construction and insulation. But the lid can often go in the dishwasher. You can check this in the instructions. Still not convinced? Order a free sample on our website before placing your order. That way you know exactly where you stand.
