Drinking bottles come in all shapes and sizes. At IGO Promo you'll always find what you're looking for thanks for our huge selection of quality drinking bottles. A Pacific 770 ml matte sport bottle with carabiner is ideally suited for printing with a logo or message. And thanks to the many uses of a drinking bottle, each print will give you extra visibility. This bottle has a carabiner, but this is not suitable for climbing. It also has a rotating lid. The material of this bottle is aluminium. The extremely solid construction of aluminium ensures that this bottle doesn't leak or crack easily if it's dropped. And just as important, your logo stays visible for years to come. Laser engraving is possible with this water bottle. This not only shows your logo precisely, but is also scratch-resistant. Don't fancy getting up all the time to refill your bottle? Then opt for the larger 770 ml capacity that this bottle offers. And in case you still have doubts, you can always request a sample model so you know exactly what you can expect from this bottle.
