Whether you're on your way to work or on a day trip, a mug or bottle is always useful. An excellent time to reinforce your brand exposure with a printed thermal article. Have the Gessi 590 ml copper vacuum insulated sport bottle printed or engraved with your company name and logo. The advantage is that your logo is seen everywhere and by many people when the thermos product is used. This thermal bottle offers two openings for easy cleaning and filling. A special construction prevents the formation of condensation on the outside. Looking for a sturdy thermos mug or flask with an exclusive look and feel? products as the Gessi 590 ml copper vacuum insulated sport bottle made of stainless steel are the perfect choice. In addition, the product weighs 330 grams. Perfect for a good grip. It is important to note that the thermos are not dishwasher safe due to their insulation and construction. You should therefore wash them by hand. The instructions will indicate if the lid is dishwasher safe. Nowadays, we are increasingly aware of the environment. A thermos contributes to a sustainable world by reducing the production of disposable plastic.
