Pencils have clear advantages over other writing implements: They write in any position - even upside down- at any temperature and you can literally erase mistakes. All this applies to both mechanical and conventional pencils. If you give the Visumax mechanical pencil (0.5mm) with your logo and/or company name, you always make a good impression! This pencil makes doodling fun and there's good branding. This pencil is made of ABS Plastic. No matter what budget you are planning, you are sure to find the right pencil with us. The Visumax mechanical pencil (0.5mm) is ideal for displaying your logo, contact details or slogan. This is how your company is seen every day - and not just by the user.
