It's always convenient to have a power bank ready in this digital age. You never know when you might need to recharge your mobile phone. When you have the bamboo 4.000 mAh wireless 5W Powerbank printed with your logo, it gives your brand extra promotion. Power banks are taken everywhere, giving your company added visibility. This power bank has a capacity of 4000 mAh. This means that a device with a battery of this size can be fully charged once. This powerbank charges mobile devices with a conventional USB port or via the 5W wireless charging pad - only for mobile devices that support this function. The LEDs indicate the charging status of the power bank. The inputs and outputs offer 5V/2A. The wireless output 5W (5V/1A). The material used, bamboo, makes the power bank particularly robust. Would you like to contribute to a healthier environment? Then this power bank is a good choice. Because it weighs just 145 grams, you can easily take it anywhere. Furthermore, you can choose to have your logo printed on the power bank by laser engraving, it is high quality and is long-lasting. With our many years of experience, our staff know better than anyone which power bank is the perfect match. So let us advise you on the best way to print power banks.
