

When you're on the road, it's good to know that your phone is always sufficiently charged. That's where a printed power bank comes in handy! Have the Swiss Peak luxury wireless 10.000 mAh powerbank printed with your logo and message for a professional look. We are sure your customers and employees will love using it. The material of this power bank is polyurethane, acrylonitril butadiene styrene (ABS), which is a guarantee for quality. With a weight of 219 grams, you have a solid product in your hands. And you can order them from 3 pieces! Why not choose the laser engraving printing technique. The biggest advantage is the high-quality print. The permanent engraving leaves a stylish imprint that won't fade quickly due to its high wear-resistance. Do you want to increase your brand exposure? Have power banks printed with your logo and company name. With our many years of experience, our staff know better than anyone which power bank is the perfect match. So let us advise you on the best way to print power banks.
