

When you're on the road, it's good to know that your phone is always sufficiently charged. That's where a printed power bank comes in handy! By printing the 10.000 mAh aluminium pocket powerbank with your logo and message, you're sure to generate extra publicity for your company! This powerbank has a charge level indicator. Input and output are 5V/2A. The material of this power bank is aluminium, acrylonitril butadiene styrene (ABS), which is a guarantee for quality. Because it weighs just 188 grams, you can easily take it anywhere. You can even have them printed from 3 pieces! Thanks to the laser engraving technique, you can give this power bank a stylish print. The print is extremely durable thanks to the high wear-resistance of engraving. Ideal if you're looking for a gift that exudes luxury. When you print your logo on this power bank, you increase the visibility of your brand. And if you think that printing a power bank is expensive, IGO Promo proves otherwise. We can print power banks cheaply and promise outstanding quality.
