

When you're on the road, it's good to know that your phone is always sufficiently charged. That's where a printed power bank comes in handy! IGO Promo can print the Ultimate 10.000 mAh Wireless Charging Powerbank with your logo or other imprint. The moment you give it away, it immediately generates extra publicity for your company! One thing is certain, the recipient will be very happy. The most important thing about power banks is the strength of the battery. This one has 10000 mAh. This powerbank can be wirelessly charged by itself, it can also charge Qi-enabled mobile devices 5W wirelessly. It also has a dual USB output and 3 different input options: Micro-USB, Type-C and Apple Lightning. The dual USB outputs and Micro/Type-C input are 5V/2A. Lightning input and wireless output are 5V/1A. Because this power bank is made of acrylonitril butadiene styrene (ABS) it is hardly susceptible to impacts and can be carried in any pocket. With a weight of 213 grams, you have a solid product in your hands. And if you think that printing a power bank is expensive, IGO Promo proves otherwise. We can print power banks cheaply and with outstanding quality.
