

Power banks with your logo are the ideal business gift for employees who are constantly on the road. That way, your company will always be visible, even when your staff is out of the office. IGO Promo can print the 2.200 mAh solar powerbank with your logo or other imprint. The moment you give it away, it immediately generates extra publicity for your company! One thing is certain, the recipient will be very happy. The most important thing about power banks is the strength of the battery. This one has 2200 mAh. This powerbank has an integrated solar panel. Charging is by cable, the solar panel is only for support. The output is 5V/1A, the input is 5V/0.8A. This power bank is made of aluminium, acrylonitril butadiene styrene (ABS). Moreover, it has a weight of only 82 grams! So it is easy to take with you! Furthermore, you can choose to have your logo printed on the power bank by laser engraving, it is high quality and is long-lasting. From budget power banks to premium models in different shapes and sizes: we have it all! Need help making your choice? Then get in touch with us!
