

Power banks with your logo are the ideal business gift for employees who are constantly on the road. That way, your company will always be visible, even when your staff is out of the office. When you have the 4.000 mAh type C powerbank printed with your logo, it gives your brand extra promotion. Power banks are taken everywhere, giving your company added visibility. The most important thing about power banks is the strength of the battery. This one has 4000 mAh. The powerbank has both a USB and a 2.0 Type-C output. The output has 5V/2.1A, the input 1A. It comes with a micro USB cable. This power bank is made of metal. Weighing only 100 grams, you will hardly feel that you're carrying it around. Thanks to the laser engraving technique, you can give this power bank a stylish print. The print is extremely durable thanks to the high wear-resistance of engraving. With our many years of experience, our staff know better than anyone which power bank is the perfect match. So let us advise you on the best way to print power banks.
