

Power banks are an ideal gift to give away. Everyone has at least one phone that needs to be charged frequently. Have the 4.000 mAh powerbank with digital display printed with your logo and message for a professional look. We are sure your customers and employees will love using it. This powerbank has an integrated digital LED display that shows the exact power output. Two USB ports allow two mobile devices to be charged simultaneously. The 2.1A output provides enough current for faster charging than most conventional chargers. The output is 5V/2A, the input is 5V/1A. This power bank is made of acrylonitril butadiene styrene (ABS), aluminium, so you don't have to worry about the strength of the product. It won't break easily. Moreover, it has a weight of only 142.8 grams! So it is easy to take with you! At IGO Promo you can easily order small quantities. The minimum order quantity of the 4.000 mAh powerbank with digital display is just 5 pieces! Thanks to the laser engraving technique, you can give this power bank a stylish print. The print is extremely durable thanks to the high wear-resistance of engraving. Ideal if you're looking for a gift that exudes luxury. What if your company's logo is printed on this power bank? We guarantee it will be taken everywhere and your brand will be seen a lot more! Haven't decided yet? No problem, you can always call us, send us an e-mail or contact us via chat. We'll be happy to help you complete your order.
