

Power banks with your logo are the ideal business gift for employees who are constantly on the road. That way, your company will always be visible, even when your staff is out of the office. You use the 8.000 mAh light up logo wireless powerbank more often than you might think, for instance during holidays, while on the road or when spending a day at the beach. This powerbank can be used for suitable mobile devices for wireless charging. With the suction cups on, the device to be charged can be optimally connected to the powerbank to ensure the charging process. A USB cable can of course also be used for charging as an alternative. The output is 5V/2.1A, the input is 5V/2A. Wireless output is 5V/1A 5W. The material of this power bank is acrylonitril butadiene styrene (ABS), Silicon, which is a guarantee for quality. With a weight of 204 grams, you have a solid product in your hands. You can even have them printed from 3 pieces! Why not choose the laser engraving printing technique. The biggest advantage is the high-quality print. The permanent engraving leaves a stylish imprint that won't fade quickly due to its high wear-resistance. By printing your logo or company name on a business gift, you increase brand awareness. From budget power banks to premium models in different shapes and sizes: we have it all! Need help making your choice? Then get in touch with us!
