

It's always convenient to have a power bank ready in this digital age. You never know when you might need to recharge your mobile phone. Have the 5.000 mAh wireless charging 5W powerbank printed with your logo and message for a professional look. We are sure your customers and employees will love using it. This powerbank has 5W wireless charging function and an integrated 3-in-1 cable for all iOS and Android devices. Devices to be charged can be easily fixed with the integrated suction cups. You can charge the powerbank itself with the integrated USB-A cable. The USB and Type-C input is 5V/2A. The USB output is 5V/2.1A. Wireless output is 5V/1A with 5W. This power bank is made of acrylonitril butadiene styrene (ABS), Silicon, so you don't have to worry about the strength of the product. It won't break easily. Because it weighs just 167 grams, you can easily take it anywhere. You can even have them printed from 3 pieces! Do you want to increase your brand exposure? Have power banks printed with your logo and company name. You can order quickly and easily by filling in all your preferences on our order page, such as the colour, the printing location and the number of items. Send us your logo and you will receive a digital print proof.
